

WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

2003 Senate Bill 407	Senate Amendment 1
<i>Memo published:</i> March 1, 2004 <i>Contact:</i> John Stolzenberg, Chief of Research Services (266-2988)	

Senate Bill 407 authorizes the Department of Natural Resources (DNR) to exempt deer hunters in chronic wasting disease intensive harvest or herd reduction zones from having a deer hunting license, wearing a back tag, or tagging a deer killed in the hunt. The bill also repeals the general prohibition on the issuance of a deer hunting license, sports license, or conservation patron license during the open season for the hunting of deer.

Senate Amendment 1 replaces the two types of areas in which the DNR manages chronic wasting disease, chronic wasting disease intensive harvest zones, and chronic wasting disease herd reduction zones with a single type of area, chronic wasting disease control zones.

Legislative History

On February 18, 2004, the Senate Committee on Environment and Natural Resources recommended introduction and adoption of Senate Amendment 1 to Senate Bill 407 and recommended passage of Senate Bill 407, as amended, on separate votes of Ayes, 5; Noes, 0.
